Letter from the Elm Prairie Lions Club

City of Elm Prairie, Minnesota
Fictional demonstration city. Not a real record.

To the Mayor and City Council,

On behalf of the members of the Elm Prairie Lions Club, we are pleased to offer $40,000 toward a splash pad in Central Park. The money comes from three years of the pancake breakfast and the fall raffle. We ask only that the splash pad be open to every family in town at no charge.

With thanks for your service to the community,
The Elm Prairie Lions Club
